## Head to Head Tournament

On Labor Day the waterski teams of Michigan State and University of Michigan convened for the annual Head to Head tournament! The rain held off for nearly 70 skiers to compete in what would be a sun filled day of friendly competition.

After a very successful Sparicipation recruitment we had a record showing of new members, those of whom got to experience their very first three-event collegiate waterskiing tournament! Returning members who had been training all summer skied to outstanding tournament PB's. We are excited about the potential demonstrated by our new teammates and the improvements made by our returning. The tournament was a fantastic kick off to the season!

## Team Updates

An apparel order will be sent out in the coming month so watch out for that!

We are loving our new boat and have been putting it to good use training members on the Grand River!

If you would like to donate to the team go to our website and click the donate link!

## Southern Ohio Challenge

This past weekend the team traveled to Harrison, Ohio to compete in what would be a rain filled tournament.

After A slalom on Saturday (and 4 inches of rain), skiing was cancelled. Despite the weather the day was filled with dock parties and enthusiastic skiers!
